## GSI Teaching & Resource Center Worksheet

Your Name:	Date:	-
Workshop Topic:	Date Attended:	
<b>1.</b> Briefly summarize what was covered in the workshop.		

2. What sort of activities (lecturing, demos, group activities, etc) did the instructor use during the workshop? Did they begin and end the workshop in a particular way?

**3.** What are two takeaways that you want to incorporate into your own sections, office hours, or, when the time comes, your own courses?

## Ay375 Worksheet

4. For both of these take aways, how would you implement them? How would you assess whether they are effective and accomplishing your learning objectives?

5. One of the goals of this course is to make you more aware of teaching practices. So critique: what was something you would have done differently if you were to run the workshop? Why do you think your way would have been more conducive to accomplishing the learning objectives of the speaker?
