

Instructor Lecturing Videos

Your Name: _____ *Date:* _____

The instructors will make available two lectures of professors at UC Berkeley or elsewhere. Your assignment is to watch the lectures and answer the questions below with a few sentences. Bring this completed worksheet to the next class for discussion.

Professor viewed: _____ *Course:* _____

1. Briefly summarize what was covered in the lecture. What sort of activities (lecturing, demos, etc) did the instructor use during the lecture? Did they begin and end the lecture in a particular way?

2. Was the presentation conducive to learning for you (i.e., were you engaged, did you understand what was being said, did you want to keep listening)?

3. What are some strengths and weaknesses of this instructor?

4. Of these strengths and weaknesses, which are a result of that instructor's style/personality, and which are a result of their particular teaching technique?
