Ay375 Statement of Teaching Philosophy Feedback Form (adapted from the GSI Teaching & Resource Center)

- 1. What goals does the instructor have for student learning?
- 2. What specific teaching methods does the instructor use to reach those goals (i.e. evidence of practice)?
- 3. How does this instructor know that his or her goals have been met?
- 4. What does the instructor value in the teaching and learning process?
- 5. What beliefs does the instructor have about student learning?
- 6. What relationship do you think this teacher has to his or her students? How can you tell that?
- 7. Is the classroom environment established by the GSI inclusive and attentive to difference?
- 8. What specific changes should the instructor make to improve this statement?
