Mid-Semester Evaluation

Section:

Keep in mind that we're doing this to make both lecture and section better, thus helping YOU get more out of the class. Both negative *and* positive comments can be helpful, and above all, please be honest! If you need more room, feel free to use the back of the page.

Lecture

I go to lecture (circle one): most of the time some of the time hardly ever
If not most of the time, why?

With 1 being worst and 5 being best, rate the overall usefulness and clarity of the lectures:
